Hospital Sisters Mission Outreach World’s Fair 2020: Health is Our Priority

For more than a decade Hospital Sisters Mission Outreach supporters have sat shoulder-to-shoulder in our warehouse, celebrating the good we have accomplished together and raising funds necessary to make an impact. Our donors, our volunteers, our staff and our warehouse bring health to vulnerable populations around the world.

We are grateful!

This year we face a unique challenge. Reports from public health officials tell us that raising our glasses and funds in the close quarters of our SOLD OUT warehouse could contribute to the spread of COVID-19. This year, as we pray for an end to the virus and for health around the world, we will defer the World’s Fair on April 25th. This is out of respect for the health of our donors, volunteers and the local community. It is our hope to combine our World’s Fair with another event, later in the year. Please stay tuned for further updates.

The net revenue we receive during the World’s Fair event typically covers the cost of two-plus 40-foot shipping containers (\$80,000). We hope that many of those who were planning to attend the World’s Fair will make a donation to support the health of the world during these uncertain times. Your generosity can continue to impact the world by making a donation at www.mission-outreach.org.

MISSION OUTREACH: SECURING SUPPLIES FOR HEALTH

530
mission
organizations
