

Funding

Mission Outreach is a non-profit organization that is dependent upon donations, grants and handling fees. The value of the contents of a 40-foot shipping container will vary between \$100,000 and \$350,000 per container. You will not be charged for the contents. Mission Outreach fundraises to cover the majority of our cost, but we do require that you cover a small portion our cost (trucking to collect equipment, packaging, inventory maintenance, and storage), shipping including in-country transportation. The breakdown below is typical.

Cost/Value	Mission Outreach Contribution	Recipient/Sponsor Contribution
Mission Outreach Cost \$30,000	\$23,000	\$7,000
